#### SERIE 500 - SISTEMA DI SEDILI E MANIGLIONI

Con la serie 500 offriamo la soluzione più adatta per ogni stile in un design moderno, che è stata sviluppata in collaborazione con gli studi di design italiani A.M. design e Talocci + Pallocca. Il sistema di sedili è disponibile nelle varianti di colori cromo/bianco e cromo/grigio. La scelta dei materiali di alta qualità, la vasta gamma di modelli e la superficie del maniglione in alluminio cromo, ergonomica e arrotondata verso l'interno, è idealmente combinata con eleganti componenti in zinco-pressofuso. Il sistema di maniglioni, disponibile anche come sostegno per doccia con saliscendi, offre la possibilità di progettazione di un bagno senza barriere per la doccia e servizi igienici nel settore sanitario pubblico e privato. Il sistema di maniglioni è completato da appoggi ribaltabili di forma lineare che, con un supporto opzionale morbido, assicurano una presa comoda e sicura. L'innovativo sistema "Easy Klik" permette di smontare facilmente il maniglione dal muro quando non viene usato.

#### SERIE 500 - SITZ- UND GRIFFSYSTEM

Mit der Serie 500 bieten wir für jeden Stil die passende Lösung in einem modernen Design – diese wurde in Zusammenarbeit mit den italienischen Designstudios "A.M. design" und "Talocci + Pallocca" entwickelt. Das zeitlose Sitzsystem ist in den Farbvarianten chrom/weiß und chrom/grau verfügbar. Hochwertige Materialauswahl, umfangreiche Modellvielfalt und die ergonomische, nach innen abgerundete Aluminium-Griffebene in chrom verbindet sich ideal mit eleganten Verbindungsstücken aus Zink-Druckguss. Das Griffsystem, verfügbar auch als Duschstange mit Brausehalter bietet eine nachhaltige barrierefreie Badplanung für die Dusche und das WC im öffentlichen und privaten Sanitärbereich. Ergänzt wird das Griffsystem mit formvollendeten Klappgriffen, die optional mit einer weichen Auflage für einen angenehmen und sicheren Halt sorgen – absolut innovativ ist das „Easy Klik“ System, das es ermöglicht den Klappgriff bei Nichtbenutzung einfach von der Wand zu nehmen.

#### SERIE 500 - SEAT AND GRAB BAR SYSTEM

Developed in co-operation with the Italian design studios "A.M. design" and "Talocci + Pallocca", the 500 series offers the right solution for every style in a modern design. The seat system is available in the colours chrome/white and chrome/grey. An extensive model range, ergonomic inward rounded grip surfaces and high quality materials, combining aluminum with elegant zinc die cast parts all beautifully finished in chrome. The handle system, also available as holding handle with shower holder offers clients sustainable, barrier free bathroom design for both public and private sanitary areas. The handle system is complemented by perfectly shaped folding handles, optionally providing soft support for a comfortable and secure grip. The unique and innovative "Easy Klik" wall mounting system allows speedy removal of folding handles when not in use.

#### SERIE 500 - SISTEMA DE ASIENTOS Y ASIDEROS

Con la serie 500, ofrecemos la solución adecuada para cada estilo en un diseño moderno – desarrollada en cooperación con los estudios de diseño italiano "A.M. diseño" y "Talocci + Pallocca". El sistema de asientos está disponible en cromo/blanco y cromo/gris. La elección de materiales de alta calidad, la amplia gama de modelos y la superficie en aluminio cromado, ergonómica y redondeada hacia el interior, está combinado idealmente con elegantes piezas de zinc fundido. El sistema de asideros también dispone de barra con soporte de ducha, da la posibilidad de diseñar un baño sin barreras para la ducha y el inodoro, en el área sanitaria, público y privado. El sistema de asideros se complementa con asideros móviles de forma perfecta, que con un soporte opcional blando, asegurando un agarre cómodo y seguro. El innovador sistema "Easy Klik", permite desmontar fácilmente del asidero cuando no se utiliza.

Il moderno maniglione ribaltabile con la sua forma lineare, è la perfetta combinazione di design e di soluzioni tecnico-funzionali. La superficie d'appoggio cromata, ergonomica e arrotondata, è in acciaio inossidabile europeo e offre, grazie all'alta qualità dei materiali, una progettazione sostenibile del bagno. La serie è equipaggiata con l'innovativo sistema „Easy Klik“ che permette di smontare facilmente il maniglione dal muro quando non viene usato e di coprire le viti con rosette esteticamente ben fatte. Questa caratteristica è molto apprezzata sia nel settore privato che alberghiero. I maniglioni sono inoltre disponibili nella versione morbida „Soft Touch“ per assicurare una presa confortevole e sicura.

Der moderne Klappgriff ist mit seinen linearen Formen die perfekte Kombination zwischen Design und technisch-funktionalen Lösungen. Die ergonomische, abgerundete Griffebene in chrom besteht aus europäischem Edelstahl und bietet durch die hohe Materialqualität eine nachhaltige barrierefreie Badplanung. Die Serie ist mit dem innovativen „Easy Klik“ System ausgestattet, das es ermöglicht den Klappgriff bei Nichtbenutzung einfach von der Wand zu nehmen und die Schrauben mit formschönen Rosetten abzudecken. Diese Eigenschaft wird sowohl im Privaten, als auch Hotellerie Sektor sehr geschätzt. Die Klappgriffe sind weiters mit der weichen Auflage „Soft Touch“ verfügbar, die einen angenehmen und sicheren Halt gewährleisten.

The modern folding handle with its linear forms is the perfect combination of design and technical-functional solutions. The ergonomic, rounded grip level in chrome consists of European stainless steel and offers through the high quality material sustainable barrier-free bathroom planning. The series is equipped with the innovative „Easy Klik“ system that allows the folding handle to be taken off the wall easily when not in use and to cover the screws with beautifully designed rosettes. This feature is highly valued both in the private and hotel sector. The handles are further available with the soft pad „Soft Touch“ to ensure a comfortable and secure fit.

El moderno asidero móvil con su forma lineal, es la combinación perfecta entre diseño funcional y solución-técnica. Su ergonomía, la forma redondeada, el nivel de agarre, en acero inoxidable europeo cromado. Con un material de alta calidad, se puede hacer un proyecto sostenible de un baño sin barreras. La serie está equipada con el innovador sistema „Easy Klik“ que te permite quitar fácilmente el asidero móvil cuando no está en uso y permite cubrir los tornillos con arandelas moldeadas. Esta característica es muy valorada tanto en el ámbito privado como en la hostelería. Los asideros son más agradables con el acabado suave „Soft Touch“ para asegurar un ajuste cómodo y seguro.
