SERIE 300 - SISTEMA DI SEDILI E MANIGLIONI

Un disegno aggiornato e moderno, massima funzionalità, materiali di alta qualità e un sistema modulare: queste sono le eccezionali caratteristiche del sistema di maniglioni e sedili della serie 300. L'intero sistema è testato dall'ente TÜV/GS con portate massime differenti e rispetta le normative CE. Il sistema di sedili della serie 300 è stato sviluppato in collaborazione con il rinomato studio Talocci Design ed è composto da un esclusivo sedile ribaltabile, uno sgabello e un sedile agganciabile nelle varianti di colori differenti (bianco, cromo/bianco e cromo/grigio). Il sistema di maniglioni della serie 300 STEEL consiste di acciaio Inox spazzolato ed è disponibile in superficie satinato, applicabile soprattutto nel settore pubblico. Questo sistema di maniglioni è stato completato con il maniglione di sostegno e l'appoggio ribaltabile dalla forma classica e moderna, sviluppato in collaborazione allo studio Talocci Design.

SERIE 300 - SITZ- UND GRIFFSYSTEM

Modernes zeitgemäßes Design, absolute Funktionalität, hochwertige Materialien und modulares Baukastensystem – das sind die herausragenden Merkmale des Sitz- und Griffsystems der Serie 300. Das gesamte System ist mit verschiedenen Belastbarkeiten TÜV/GS getestet und entspricht den CE Richtlinien. Das Sitzsystem Serie 300 wurde in Zusammenarbeit mit dem bekannten Designstudio Talocci entwickelt und setzt sich aus einem exklusiven Duschklappsitz, einem Badhocker und einem Einhängesitz in verschiedenen Farbvarianten (weiß, chrom/weiß und chrom/grau) zusammen. Das Griffsystem Serie 300 STEEL besteht aus gebürstetem Edelstahl und ist in der Farbvariante als satinierte Oberfläche, einsetzbar vor allem im öffentlichen Bereich verfügbar. Abgerundet wird dieses Programm durch den Klapp- und Stützgriff, das in Zusammenarbeit mit dem Designstudio Talocci in einer zeitlosen Form und höchsten Funktionalität entwickelt wurde.

SERIE 300 - SEAT AND GRAB BAR SYSTEM

A modern up-to-date design, absolute functionality, high-quality materials and modular construction system – those are the outstanding characteristics of the seat and handle system of the series 300. The whole system is TÜV/GS tested with different maximum load-bearing capacities and corresponds to the CE standards. The seat system of the series 300 was developed in co-operation with the renowned design studio Talocci and is composed of an exclusive shower seat, a bath stool and a hanging seat in different colour variants (white, chrome/white and chrome/grey). The handle system of the series 300 STEEL consists of brushed stainless steel silver and is available with satin surface, applicable particularly in public areas. This handle system is rounded off by the folding and support handle, which was developed in co-operation with the Design studio Talocci in a classic form and highest functionality.

SERIE 300 - SISTEMA DE ASIENTOS Y ASIDEROS

Un diseño hasta la fecha moderno, materiales de alta calidad, funcionalidad absoluta y un sistema modular de la construcción – éas son las características excepcionales del sistema de asientos y de asideros de la serie 300. El sistema entero es TÜV/GS probado con diversas pruebas de calidad máximas y corresponde a los estándares CE. El sistema de asientos de la serie 300 fue desarrollado en cooperación con el estudio Talocci Design y se compone de un exclusivo asiento móvil para ducha, un taburete y de un asiento colgado en diversas variantes de color (blanco, cromo/blanco y cromo/gris). El sistema de asideros de la serie 300 STEEL consiste en el acero inoxidable cepillado y está disponible en superficie satinado, aplicables para el público. Este sistema de asidero es completado por el asidero móvil y el asidero de apoyo, que fueron desarrollados en cooperación con el estudio Talocci Design en una forma clásica y una funcionalidad más alta.
